## EC CERTIFICATE OF CONFORMITY

č. 1020 - CPD - 090-027939

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product:

> Mungo MIT-VSF **Mungo MIT-COOL Mungo MIT-TROPICAL**

Bonded injection type anchor made of steel elements for non cracked concrete - steel threaded rods: sizes M8, M10, M12, M16, M20, M24, M27 and M30 or rebars sizes Ø8 to Ø32

placed on the market by:

MUNGO Befestigungstechnik AG

Address:

Bornfeldstrasse 2

CH - 4603 OLTEN, Switzerland

and produced in the factory:

MUNGO Befestigungstechnik AG

Address: Mungo Plant 1

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No.

## 1020 - Technical and Test Institute for Construction Prague

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in ETA

## ETA-12/0194, valid from 21.06.2013 to 01.05.2018

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product(s), the ETA itself, mentioned above, should be consulted.

This certificate was first issued on 6th April 2012 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
