CE Certificate No.

1109-CPD-0006

concerning initial inspection of the works and the factory product control

According to the directive of the Council of the European Union from 21 December 1988 for the harmonisation of the legal and administrative regulations of the member states related to construction products 89/106/EC (construction products directive CPD), amended by the directive of the Council of the European Union from 22 July 1993 - 93/68/EC, implemented in Germany through the Construction Products Law - BauPG – from 26 April 1998, it is hereby certified that the construction product:

Mungo Verbundanker MVA
Verbunddübel mit Ankerstange in den Größen
M8, M10, M12, M16, M20 und M24 zur
Verankerung in ungerissenem Beton

Mungo Verbundanker MVA
Bonded anchor with anchor rod of sizes M8,
M10, M12, M16, M20 and M24 for use in non-
cracked concrete

according to the European Technical Approval ETA-06/0093

Owner of the Approval: Mungo Befestigungstechnik AG
Bornfeldstrasse 2
4603 Olten
SCHWEIZ
Manufacturing plant: Mungo Plant 2/9

is subject to factory product control by the manufacturer. The Notified Body (IFBT GmbH, NB 1109 and SAC21) has checked the documentation of the factory product control on 2013-05-27 at the manufacturing works. This certificate confirms that the provisions laid down in the testing plan to the ETA-06/0093, which concern the attestation of conformity and the performance characteristics of the product, have been applied.

This certificate was issued on the 2013-06-17 and is valid as long as the provisions of the European Technical Approval stated above do not alter and the manufacturing conditions at the works or in the factory product control have not altered, otherwise until the expiry of the ETA-06/0093 on the 2018-05-28.

Leipzig, 2013-06-17

Dr.-Ing. Lothar Höher
Manager of the monitoring and certification body
